

Help us grow Unity's social media outreach!

By following these action steps, you'll be helping us to shine like a beacon of light and be seen.

1. Take action on our Facebook page:

- like posts – check Unity's page a couple times per week and like all our posts!
- comment on posts – write meaningful comments on posts, and respond to each other – even emojis help boost the odds that it will appear on others' timelines!
- share posts – share posts to your personal profile page, on a friend's page, and to relevant groups you belong to, such as a local community board group, a local yoga or spirituality group you belong to, etc.
- Tag your friends' names in the comments of posts if you think they'd be interested
- Ask others to like and share!

2. RSVP to our events on Meetup and Facebook

- Let us know you're going! – RSVP to the official FB and Meetup events we post
- Post in the discussion section of the event – tell us how excited you are or ask a question!
- Invite your friends – Invite your friends to the events by clicking the "Invite" tab on the event page
- Share the event on your page and in any relevant groups you're a part of (Do this the same way you would share a post)

3. Make posts of your own about how being a part of Unity makes a difference in your life. TAG Unity's page in this post. Additionally, Use hashtags #unity #greaterportland #onepresenceonepower #spiritualgrowth #unitygp

4. Join our new group "Sharing the Good News" ... and share your good news! Link to group: <https://www.facebook.com/groups/466699781488651>

As we grow, our good will grow. God is love and everywhere present. Thank you for taking these social media actions and for holding the intention with us that those who are meant to join us will find their way through our welcoming outreach.
